

2026 Caregiving support services employee orientation webinars

We're happy to announce we will be offering live employee orientation webinars throughout the year. The webinars will offer a comprehensive overview of the caregiving support services available through the Wellthy benefit, including how to access the benefit and where to find support and guidance.

Each session will also cover:

- The family care landscape and the impact caregiving has on families
- How Wellthy's solution brings relief to families across different scenarios and stages of life
- How to get started with a Wellthy Care Project

Employees must register for the session they would like to attend by using the links below. Even if they cannot attend, a recording of the session will be emailed to them after the event.

The webinars will be specific to the Guardian + Wellthy offering and will be held according to this schedule:
