MetLife Pet can help cover unexpected costs and routine care

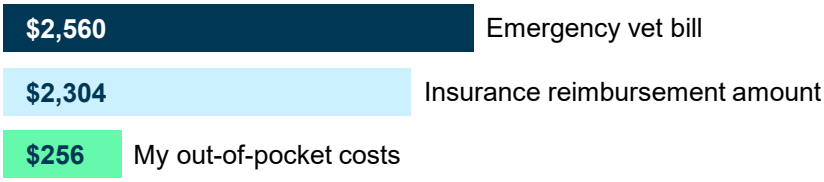
Visits to the vet can be unpredictable. According to the 2022 Pet Parent Pulse Poll Findings, most pet parents are facing rising care costs to keep their pets happy and healthy, with 54% of owners worried about being able to care for their pets in the future with economic uncertainties.

MetLife Pet can help protect your pet's health and your wallet.

How it works

Savings example when visiting a licensed veterinarian, specialist or emergency clinic in the U.S.

Bella, a two-year-old mixed-breed dog, needed emergency surgery after swallowing some small rocks. Bella pulled through, but not until incurring an emergency vet bill of $2,560. Since Bella was insured under a MetLife Pet Insurance policy, the pet parent received a 90% bill reimbursement after already meeting the deductible. Thanks to the smart decision to enroll, the pet parent saved $2,304 in out-of-pocket vet expenses.[1]



With MetLife Pet Insurance, you can get:

- Discounts of up to 30%[2]
- Up to 90% coverage if your pet becomes sick or injured—including exam fees[3]
- Freedom to visit any licensed vet in the U.S.
- No breed or age exclusions[4]
- 24/7 live chat with licensed vets—for when things come up after hours[5]
- And more!

Frequently asked questions

What is Pet Insurance?

A. Pet insurance works much like other types of insurance. For a monthly fee (also called a premium), you'll have coverage that can help reduce the financial impact of expected and unexpected veterinary care.

Can I still use my vet?

A. Yes, you can visit any U.S.-licensed veterinarian, emergency clinic or specialist. You and your chosen veterinarian can determine the best treatment plan and medical course of action for your pet.

What does it not cover?

A. Pre-existing conditions are not typically covered in pet insurance; to learn more about what's not covered, visit metlifepetinsurance.com/coverage-exclusions.

When does coverage start?

A. MetLife Pet Insurance offers some of the shortest wait periods for accident and illness coverage.[9] Direct Bill policies become effective the day after the application date. Accident/Optional preventive care coverage begins at midnight Eastern Time on the effective date of the policy. There is a 14-day waiting period on illness coverage once the policy becomes effective

How much will it cost?

A. Each pet's premium will be unique based on the age, breed, location and selected coverage amount.[10] **You will be automatically eligible for a 10% Employer Group Discount[10]/5% Affinity Group or Non-Employer Discount,[10]** and additional discounts may be available[2]. Plus, if you go claim-free in a policy year, we'll automatically decrease your deductible by $50.[11]

How does the MetLife Pet app work?

A. Our MetLife Pet app allows you to manage your pet insurance account from anywhere. **Plus, we make it easy to:**

- Submit and track claims
- Manage your pet's health records
- Talk to an expert with 24/7 live vet chat[5]
- Find nearby pet services

How do I pay for my coverage?

A. You can set up an automatic payment via credit card through the online portal or call center. ACH (electronic bank-to-bank payment) is available exclusively in our call center.

**Not available in all states.
